Jake Platt Dies Suddenly After Short Illness

Friends gathered at the Canal Point Baptist Church Tuesday afternoon at five o'clock for the funeral of James Trammell (Jake) Platt, 53, who died peacefully Sunday afternoon following a short six-day battle with acute leukemia. The end came in Lakeland General Hospital where local doctors had sent him on Wednesday. Reports from an examination made Wednesday were told the family on Thursday with the admonition that three days might be the limit.

Funeral services were under the direction of Rev. Lawrence Stewart, pastor of the church, and burial was in Perry, Fla., on Wednesday. Wetherington Funeral Home was in charge of arrangements. Pall bearers were: F. G. Gillis, Dow Geiger, Ralph Crews, James Sims, Franklin Sims, Russell Sims, Jackie Sims and Foy Sims.

Survivors include his wife, Mrs. Myrtle Platt, three daughters, Miss Judith Platt of Pahokee, Mrs. Joann Chastain of Miami and Mrs. Jettie (Jeannie) Schell of Vandenberg Air Force Base, California; his mother, Mrs. Jettie Platt of Perry; four sisters, Mrs. Maxine Brown of Perry, Mrs. Owens Stubbs of Americus, Georgia, Mrs. Christine Shuttlesworth of Warner Robins, Georgia and Mrs. Ernestine Condrey of Tallahassee; five brothers, Joe and Mike, both of Quitman, Georgia, H. T. of Miami Springs, R. B. of San Bernardino, California, L. C. of Fort Myers and four grandchildren.

Mr. Platt was a valued employee of The Everglades News, having been the moving force in the mechanical department of this newspaper for 30 years and eight months. Regular in his work habits, he missed only a handful of days from work during that more than a quarter of a century. One time a few years ago he had a spell of high blood pressure and was off work for ten days. Another time or two during the long tenure of labor, he missed a couple days from work.

Jake, as he was well and favorably known to his friends, was a great lover of the outdoors and each fall looked forward to the hunting season. To strike up a conversation with him it was only necessary to mention bird or deer hunting. He was a lover of both sports. Fishing, also, came in for its share of his attention.

Jake is gone. The Everglades News will never be the same again.

Joint Services On Sunday Night

The Canal Point Methodists and the Canal Point Baptists worship together each fifth Sunday evening. The custom of several years is continued this Sunday night when the Methodist and Baptist Churches worship together. The service is scheduled for 7:30 p.m. at the Canal Point Methodist Church with Rev. Lawrence Stewart as the speaker. Special music has been arranged. Everyone is cordially invited to attend this service.

Sorority Plans Christmas Party

Mrs. Carol McIntosh was hostess to the Phi Gamma Nu sorority Monday night. Mrs. Dorothy Buckner presided. Members voted to change the meeting days to the first and third Thursday of each month.

The service program for the coming year will be volunteer time gift and service to needy children in Everglades Memorial Hospital with funds from the chapter used for a special Christmas for children in the hospital.

The next meeting will be held November 4.

Local Garden Club Gets New Members October Meeting

Mrs. Ronald Dempsey and Mrs. M. F. George were welcomed as new members of the Canal Point Garden Club at the October meeting held in the Community Building at the Glades Park Thursday afternoon, with Mrs. Floyd Erickson, president, presiding.

The group discussed plans for the beautification of the triangular roadside park east of Echols Groves on adding more color to the park through the planting of additional ornamental flowering shrubs and trees. It was reported that a committee from the Garden Club is working with a committee from the Canal Point Lions Club on this project.

Announcement was made of a fall seminar of District 10 Federation of Garden Clubs to be held at Boca Raton this Friday, Oct. 29.

On the program Mrs. Lee Kahle led the group in a study of botany. Mrs. John S. Harrington gave a talk on "Florida Birds," with special reference to the Everglades Kite, which is nearing extinction. Mrs. G. H. (Duke) Tucker was awarded a prize as first place winner in a quiz program relating to the identification of Florida birds.

Mrs. Ralph Duran and Mrs. Antonio Moran were hostesses during the serving of refreshments at the close of the meeting.

Lions Official Visits Local Club

Bill Brewer of Fort Pierce, governor of Lions' District 35-D, paid an official visit to the Canal Point Lions Club in the Community Building Monday night. Mr. Brewer was introduced by Melvin Paul, past president of the club.

In his address, Mr. Brewer gave a report of Lionism on all levels of endeavor—district, state, national and international. During the visit he conferred with club officers and department chairmen on club activities for the past year and plans for the future.

RETURNS HOME

Mrs. Evie Keen has returned to her home in Canal Point from Sarasota, where she has been caring for her daughter, Mrs. D. L. Fender, during her illness. Mrs. Keen plans to return to Sarasota after spending a few days in Canal Point.

Bus Station Will Re-Open Canal Pt. Webb Operating

Canal Point has been without a bus station for several months but all that has changed this week when W. H. Webb, Sr., re-opened the Shell Service Station with full operation of a bus station therein. He will serve as agent for Trailways and for the Greyhound Lines.

For many years Mr. Webb operated a bus station in Pahokee across the street from Vandegrift-Williams Farms. In conjunction with the bus station he operated a service station and repair shop, specializing in lawn mowers and mower motors. He also conducted a key duplicating service there.

This week, workmen have been busy under the direction of Paul Sasser, Shell Distributor, cleaning up the Shell Station and the surroundings preparatory to Mr. Webb's move from Pahokee. This week he moved all of his repair equipment from the Pahokee spot to the new location in Canal Point where he is ready to serve the public.

On the spot in Pahokee where Mr. Webb operated for many years, a new grocery store will be opened.

Glades Favors The Sort of Time We Enjoy at Present

If a poll were taken today in the Lake Okechobee Farming Region, it probably would show that folks are pretty well satisfied with the time of day they are now enjoying. Not many of them would be in favor of changing to Daylight Saving Time.

A statewide poll of merchants on the subject of Daylight Saving Time is underway by the Florida State Retailers Association. The poll is being taken both by mail and by personal contact.

The state merchant group will not take a position on the subject until it has a consensus of the views of all Florida retailers, says Dallas L. Hostetler, executive director of the association. "There are pros and cons," says Hostetler, "and views vary among different segments of Florida's economy."

An act of the Florida Legislature would be required for adoption of Daylight Saving Time, and the retailers feel there is enough interest in the subject to cause the lawmakers to lend an attentive ear.

Smith Family Goes To Georgia On Visit

Mr. and Mrs. R. T. Smith, accompanied by Mr. and Mrs. Harry B. Elarbee and son, Kirk, were weekend visitors in Tifton, Georgia, where they participated in the birthday celebration of Mr. Smith's mother, Mrs. Luhr Smith, on her 81st birthday. They also visited his brother and sister-in-law, Mr. and Mrs. Sidney Smith, and enroute home visited their son, Johnny Smith, an instructor at Golden Hills Academy near Gainesville.

Dr. Ames Will Go To Dental Meeting

Mrs. Richard K. Ames and children left Thursday for Nashville, North Carolina, where they will be the guests this weekend of Mr. and Mrs. Gene Braswell and family. From Nashville, they will go to Richmond, Virginia, for a visit with her parents, Mr. and Mrs. Richard Jacob.

Dr. Ames plans to leave Saturday for San Francisco, California, for a short visit with his parents, Mr. and Mrs. Orris K. Ames, and then go on to Las Vegas, Nevada, where he will attend the national convention of the American Dental Association.

Emmett S. Roberts Named Chairman Christmas Seals

Another honor has come to the dean of the Palm Beach County delegation—Hon. Emmett S. Roberts, State Representative, of Belle Glade. This time he has been named chairman of the 50th Annual Christmas Seal Campaign which is scheduled to start Nov. 16 and continue through December.

The appointment was made by Gerald C. Daniels, president of the Palm Beach County Tuberculosis & Health Association, who said, "We are indeed fortunate to have Representative Roberts head this campaign. I know of no one who is more able or who has a greater concern for the welfare of the people of our county and our state than Representative Roberts."

In accepting the appointment, Representative Roberts said, "I deem it an honor to again serve as Christmas Seal chairman for our TB Association. The tremendous increase in the incidence of respiratory diseases such as emphysema is alarming and an extremely serious problem. I am pleased to have a part in helping our association to make progress against this crippling lung disease."

Representative Roberts is past president of the association and has been a member of the Board of Directors for 15 years. As the dean of Palm Beach County's legislative delegation, Mr. Roberts has served as chairman and as a member of many major committees where he assisted in developing legislation designed to meet Florida's problems in higher education; finance and taxation; government reorganization; drainage and water conservation; agriculture and migrant labor problems; and others.

Representative Roberts is a member of the Episcopal Church; a Shriner; past district governor of the Lions Club; past exalted ruler of the Belle Glade Elks and past president of the County Resources Development Board.

MAJORS IN MUSIC

David Cunningham, son of Mr. and Mrs. D. W. Cunningham, of Pahokee has been selected at FSU to participate in the student ordination at the Southeastern Regional Convention of the National Association of Teachers of Singing, to be held at the University of Georgia, Athens, Georgia, this weekend. Mr. Cunningham is presently a senior majoring in music at FSU.

Auxiliary Group Officers Are Put Into Office

The installation of officers of the Everglades Memorial Hospital Auxiliary was conducted during the regular meeting in the hospital dining room Tuesday night.

Mrs. Grace Maxson was inducted president; Mrs. Marjorie Laks, vice president; Mrs. Marian Hatton, recording secretary; Mrs. Margaret Fanjul, corresponding secretary; and Mrs. Marilyn Potete, treasurer.

Prior to the installation, Mrs. Esther Hundley, installing officer, addressed the group in a brief talk on "Merchants of Light." She presented each officer with a gloriosa lily corsage.

At the business session Mrs. Ona Faye Urry, ways and means chairman, reported the vending machines in the hospital lobby, sponsored by the Auxiliary, are returning a small profit. She said a vending cart is being prepared for carrying from room to room various small items popular with the public for the convenience of patients. This cart is expected to be in operation in the near future, and if present plans are carried out, will make two rounds daily to the rooms of patients.

Mrs. Alys Okie reported small packets of note paper and envelopes are to be prepared for distribution to patients by the Auxiliary through the courtesy of the Glades Observer.

Mrs. Maxson reminded members that membership dues for the 1965-66 year must be turned in to the treasurer, Mrs. Potete, by the next meeting, Nov. 23. The dues are \$3 a year for a sustaining member, who is required to serve 50 hours a year in Auxiliary work, either in or outside the hospital; and \$10 a year for a sustaining member, who may volunteer to work in the Auxiliary but is not required to do so. The \$100 life membership does not have to be renewed annually.

Mrs. Maxson led the group in the opening Auxiliary Prayer. Mrs. Clevis Hand was in charge of the serving of refreshments at the close of the meeting. Coffee and cake were enjoyed.

Funeral Services For John P. Adams

Funeral services were held Tuesday morning at 11 o'clock at the First Baptist Church in Pahokee for John Paul Adams, 30, who died suddenly Friday from electric shock at his home in Clearwater. The deceased was the son of Mr. and Mrs. D. A. Adams of Pahokee.

Survivors include his widow, Donna Susan, one son, Brian Steven, one daughter, Belinda Susan, all of Clearwater; his parents, Mr. and Mrs. David Adams, two brothers, Glenn and Terry, all of Pahokee; three sisters, Mrs. Sandra Prescott, Vero Beach; Mrs. Karen Sloan, West Palm Beach and Miss Lois Adams of Pahokee.

The pastor of the church, Rev. Guthrie Colvard, officiated at the last rites and Wetherington Funeral Home was in charge of arrangements.

Thunderstorms In State Plentiful

GAINESVILLE — Florida is a breeding ground for thunderstorms — averaging more of them per day than any other state in the nation.

The highest number occur in the west-central part of the state — around the Tampa Bay area, says Keith Butson, state climatologist with Florida's Agricultural Experiment Stations.

"This is largely due to moist winds sweeping in off the surrounding bodies of water," he said. Most thunderstorms take place during summer afternoons when the earth's surface is warm. Butson explains that after the sun sets, chances for a storm are less since there's not enough heat to carry the air upwards.

The weather expert says that as the sun heats up the earth during the early part of the day, hot moist air rises in columns to form clouds. These can often be seen at 50,000 feet. The air is usually filled with moisture "drawn from either the Gulf of Mexico or the Atlantic."

This rising moist air cools quickly," Butson says, "and begins reaching the dew point which humid air must reach before water vapor will turn to liquid."

A good example of this phenomenon is the water beads or "sweat" appearing on the side of your glass of ice tea.

The small water droplets which result from the cooling action and similar to those seen in a fog form a cloud.

If cooling continues the droplets grow in size, falling as rain when they become too heavy to remain suspended.

Several things are happening inside a cloud, according to Butson. Air is ascending in drafts and carrying the water droplets still higher into the sky.

The dark clouds — or thunderheads — sometimes reach as high as 50,000 feet. At this height, the droplets "freeze" and occasionally fall to the ground as hail.

Lightning and thunder accompany all thunderstorms.

Lightning is a "gigantic electrical spark" jumping between concentrated areas of positive and negative charges. Butson says the thunder you hear is the "rapid expansion" of air heated as a lightning bolt cuts through the atmosphere.

The weather specialist explains that the normal seasonal life of summer thunderstorms will end in about six weeks from now for most of the state but may linger into October along the lower east coast.

But thunderstorms aren't all bad — they keep the state wetter and cooler than it would be otherwise. Butson noted that about 52 inches of rainfall is the yearly average for the state.

Appliance Sales And Service Will Open In Pahokee

Plans are nearly complete for the organization and opening of Southern Appliance Sales and Service in Pahokee in the building owned by Jack Chastain and formerly occupied by the post office in Pahokee several years ago.

At the head of the new concern are two experienced electrical appliance men — Harry Brooks Elarbee and Charles Jernigan. Mr. Jernigan has had nine years experience in that line and Mr. Elarbee has been in the business for six years.

The building is undergoing a complete overhauling this week. The floors are being sanded preparatory to painting. New glass doors will be installed and the interior will be given a new coat of paint. Messrs. Jernigan and Elarbee plan to air condition the building before they open for business in a few weeks.

The new concern plans to handle

a full and complete line of electrical appliances, both large and small. They will handle Amana, Westinghouse, Maytag and Lennox Control units.

Money Available By Lions Club To Purchase Glasses

There may be an underprivileged child in the Canal Point area that needs eye glasses and can't afford to pay for them. If this is the fact and the case is meritorious, then the Canal Point Lions Club stands ready and able to make the purchase.

A small accumulation of cash is on hand with the local civic organization and members of the group are anxious to take care of any particular case where the need is apparent and the recipient wouldn't be able to make the purchase himself.

Through the years the organization has done an excellent work in the civic field, taking for its prime project, seeing that street lights are provided in Canal Point. There are dozens and dozens of folks who enjoy the benefit of street lights that don't donate a dime toward their cost. This fact doesn't prevent the Lions Club from raising the cash each year from a group of interested citizens and turning it over to the power company to cover street light costs.

Outstanding money-raising project of the club this year will be a turkey shoot scheduled for November 19, 20 and 22. Members plan to hold the shoot over the dike on the lower edge of the berm. It is hoped that many folks will participate in the upcoming event.

An Electric Water Heater gives precious peace of mind

...It's cleaner, faster, cool-to-the-touch...and cheaper, too!

Install it anywhere — and you can forget it! Needs no attention... completely automatic. No open flames, no constant-burning pilot light. No fumes or odors. Doesn't need vents of fumes... so there's no heat wasted.

An Electric Water Heater (like a flameless Electric Range) is cheaper to buy... and cheaper to use, too, because the average price per residential kilowatt hour is actually 31% cheaper than just 10 years ago!

It's cheaper than ever to go ALL electric than to use it in combination with flame-

type fuels... and it adds to the joy of modern living.

See the modern Electric Water Heaters at your appliance dealer, plumber or electrical contractor.

MRS. C. W. MIDDLETON SAYS:

"What I like most about my electric water heater is that it is very compact, clean, and so convenient. Doesn't need to be vented and there's no pilot light to go out."

MRS. BILLY TURBEVILLE SAYS:

"I've had experience with flame-type fuels but could never stand the odor and excessive heat. With my electric range (also electric water heater, clothes dryer, etc.) I am free of both these problems."

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones
you own now are better than ever*

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Mrs. Scott, Jr., wore a pale yellow carnation corsage; the two mothers, yellow mum corsages; and the hostesses, yellow hibiscus corsages. Special guests were the honoree's grandmother, Mrs. Clyde Williams of Hobe Sound, and aunt, Mrs. Dorothy Merritt of Jupiter.

The table, laid with a white embroidered linen cloth, had an arrangement of yellow mums as the centerpiece, and was lighted with yellow tapers in crystal candelabra. Tiny yellow flowers were embedded in the ice ring floating in the crystal punch bowl. Miss Joan McKinstry was in charge of the guest book.

Among the beautiful and useful gifts received by the honoree was a sterling silver cake server from the hostesses.

Baptist Revival Planned Pahokee Starting Oct. 31st

The revival services at the First Baptist Church of Pahokee will begin on Sunday, October 31. Dr. John Howell, Pastor of the First Baptist Church of DeLand, will

DR. JOHN HOWELL

be the preacher for these services. The DeLand Church is the College church to many of the students at Stetson University. The First Church of Pahokee has four students at Stetson at this time.

Dr. Howell is recognized as one of the most effective young ministers in the Florida Baptist Convention, and the pastor of the First Baptist Church of Pahokee is very pleased that he is to be in Pahokee for these revival services.

High attendance day in the Sunday School has been set for October 31 with a goal of 365. There will be special music at each of the services, and all four choirs of the First Baptist Church will be taking part in this part of the revival.

Miss Bea Ellen Wroten, daughter of Mr. and Mrs. Lee A. Wroten, celebrated her 10th birthday with a spaghetti supper and slumber party Friday night. Attending were the Misses Lisa Wolfe, Debbie McCoy, Vickie Potette, Debbie Arrieta, Dianne Mills and Jane Spencer.

ATTEND WMU MEETING

Representing the Pahokee First Baptist Church and the Canal Point Baptist Church at the recent Palm Lake annual WMU meeting in Boynton were Mrs. Wiley Tillis, Mrs. E. B. Gamble, Mrs. Ralph Crews, Mrs. Buddy Guthrie, Mrs. R. T. Smith, Mrs. W. S. Cross, Mrs. Paul Rardin, Mrs. J. H. Strayer and Mrs. Elizabeth Brown.

BIRTHDAY PARTY

James Hutton celebrated his 4th birthday anniversary at a party given by his parents, Mr. and Mrs. John Hutton, at their home, 2891 Bacom Point Rd., Sunday afternoon.

Among the 50 guests attending were James' paternal grandparents, Mr. and Mrs. Joe Hutton, Sr.; maternal grandmother, Mrs. Mary Hammond; great-grandmother, Mrs. Ella Crippen of Dania; and several uncles, aunts and cousins.

Personal

Miss Gale Sears of Florida State University, Tallahassee, spent this past weekend as the guest of her parents, Mr. and Mrs. Pope Sears in Canal Point.

Mrs. W. C. Young and Mrs. Calvin Britton motored to Gainesville this past weekend to visit their children who are attending the University of Florida.

Mr. and Mrs. Ray Singletary had as their guest this past weekend their daughter, Miss Connie Singletary, a student at FSU, Tallahassee.

Miss Tammy Branch was hostess to the senior MYF of Pahokee First Methodist Church at her home Sunday night.

Mrs. Bill Whitcomb and daughter, Pam, of St. Petersburg are the guests of her parents, Mr. and Mrs. Jack Spencer.

Sunday guests of Mr. and Mrs. W. A. Stevens were their nephew and niece, Mr. and Mrs. Bill Grimes, Jr., and children of Tampa.

Miss Linda Wilson has returned to her studies at Andrew College, Cuthbert, Georgia, following a weekend visit with her mother, Mrs. Selma Wilson.

Witnesses Prepare For Assembly

In most schools today there is very little said about God because of the recent Supreme Court ruling on prayer and Bible reading, but November 26-28, the Vero Beach Junior High School walls will resound with nothing but prayers, Bible reading and discussions as 1,000 Jehovah's Witnesses held their semi-annual circuit assembly, according to Miles P. Crum, presiding minister of the local congregation.

Saturday's program will include baptizing new ministers, climaxed by Joseph Saia, district supervisor of the Southeastern United States, speaking on the subject, "Showing Discernment in the Ministry."

The public is invited to all sessions and especially to hear the advertised lecture which will be presented at 3:00 p.m., Sunday, entitled, "What Does the Resurrection of the Dead Mean to You and Yours?" Joseph Saia will discuss this important teaching of the Bible, offering a detailed compilation of Scripture to build faith and hope in God's promises, according to Crum.

In Florida, after golf beer's the one... for good taste, good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's good to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS

2,375 Persons Get State Welfare Aid During September

Rev. Paul M. Cassen, Chairman of District 10 Welfare Board of the State Department of Public Welfare reported that during the month of September in Palm Beach County a total of 2,375 persons received Old Age Assistance in the amount of \$112,340. 124 persons received Aid to the Blind totaling \$7,563. 1,263 families received Aid to Families with Dependent Children in the amount of \$79,275. 577 persons received \$32,221 in Aid to the Disabled.

In addition 314 children received service during the month of September 218 of whom were in foster homes. The total state and local cost for direct child care was \$11,856.

Palm Beach County is represented on the District Ten Welfare Board by Rev. Paul M. Cassen, Chairman, John F. Thomas, Jr., of West Palm Beach, Mrs. Wilda Tufts of Lantana, J. T. McMurray of Delray Beach, and Mrs. Marion Blech of Pahokee.

Sea Lions Will Live On State's West Coast

ST. PETERSBURG—Two transplanted Californians have found the environment of Florida's West Coast so enjoyable they've taken steady jobs and plan to remain on a permanent basis.

The two Californians are Corky and Sam, two-year-old sea lions who were introduced as a new act at the Aquarium on St. Petersburg Beach recently. Just two months ago the two young sea lions were frolicking around Santa Barbara Island in the Pacific, and now they are displaying their talents at the St. Petersburg Beach tourist attraction.

Corky and Sam flew from California July 2 and immediately went into their training routine. They soon learned to perform and now have a variety of tricks which include balancing, retrieving objects, rolling over, climbing a ladder, saying their prayers and catching hoops about their necks.

"It doesn't take long to make a good Floridian out of a California native," says their trainer, Don McSheehy.

Carnival Planned Pahokee School Saturday, Oct. 30th

The Pahokee Parent-Teacher Association, at the October meeting in the high school auditorium Monday night with President Don Adams presiding, voted to sponsor a Halloween Carnival Saturday night, Oct. 30 for elementary school pupils, first through sixth grades, and preschool-age children. Wayne Burdeshaw is general chairman in charge of arrangements for the carnival. Costumes will be judged and prizes awarded for outstanding costumes in various classifications for each grade, details to be announced later.

Students of the junior-senior high school, seventh through twelfth grades, will not participate in the carnival as has been the custom in the past. Instead, there will be a Halloween masquerade ball for high school students and their guests, with PTA to furnish the supervised entertainment.

The resolution to conduct regular PTA meetings only on alternate months during the current school year, which was introduced at the September meeting, was again introduced at the Monday night meeting. In accordance with PTA bylaws, this resolution may be voted on when introduced for

the third time at the November meeting. If it is passed by a majority vote at the November meeting there will be no regular Pahokee PTA meetings in December, February and April during the current school year, the last meeting of the school year to be in May. Mrs. Ralph Johnson, membership chairman, reported a paid-up membership of more than 215.

The monthly attendance awards went to Mrs. Dena Peel's Second Grade group at the elementary school and to Mrs. Gladys Harrington's Seventh Grade group at junior high school.

Kyle Scott, program chairman, introduced Judge Emery Newell of the Palm Beach County Juvenile and Domestic Relations Court, who told of the work of his court and explained why the names of juvenile law offenders are withheld from news media.

Rev. Guthrie Colvard, pastor of the Pahokee First Baptist Church, gave the opening devotional.

Echols Home Scene Of Circle Meeting

Mrs. G. T. Echols was hostess to members of the Jones-Scoggins Circle, Canal Point Baptist Woman's Missionary Union, at the October meeting held at her home Thursday night with Mrs. J. S. Atkins, chairman, presiding.

Mrs. J. E. Rodgers was named new program chairman to fill the vacancy left by Mrs. Charles Maxson when she recently resigned in order to devote more time to work with young people.

Mrs. Earl Bracewell was assisted with the program, "My Church—Seeing and Doing," by Mrs. A. T. Holt, Mrs. Rodgers and Mrs. Echols. Mrs. Bracewell was also in charge of the devotionals.

Mrs. Echols made use of the Halloween motif in room decoration and during the serving of refreshments at the close of the meeting. The November meeting will be

at the home of Mrs. R. T. Smith, WMU president.

Kitten Is Lost — Have You Seen Sam?

Have you seen Sam? Sam, a frisky Siamese kitten belonging to Cindy Hawk, 7-year-old daughter of Mr. and Mrs. Ray Hawk, Jr., of Pahokee, who disappeared late Tuesday afternoon while playing in the yard.

Cindy walked the streets until dark calling her kitten, while her brother searched the alleys and shrubbery, but to no avail. Sam was gone!

How do you comfort a child that has lost her dearest friend? What can you say that will fill the empty space on the bed where Sam always slept?

If you see Sam, won't you please bring him home? The joy in that little girl's face will fill your heart and make your day complete.

Tonite Marks Time For Stuart & Blue Devils Meeting

The Pahokee Blue Devils will meet the grid team from Martin County high school tonight in the Martin County seat of Stuart. The two teams are rivals of many years standing and a game between Pahokee and Stuart always draws a capacity crowd.

Last week in a home game, the local aggregation came from behind to win over Naples by the score of 18 to 12. It was one of the most interesting games of the season from the spectator's point of view.

A large crowd will follow the Blue Devils to Stuart tonight.

Shelly Padgett Has Birthday Party

Shelly Denise Padgett celebrated her 4th birthday, October 23, with a party luncheon given by her mother, Mrs. Glenda Padgett, and grandmother, Mrs. Pope Sears. Attending were Tina Cantrell, Michelle Clark, Debora Hall, Ronda Turbeville, Maxson Sims, Kim Garrett and their mothers.

Others attending the luncheon were Miss Connie Singletary, Miss Becky Mackey, Miss Gale Sears and Mrs. Wayne Browning.

Miss Cynthia Turbeville was honored with a lingerie shower Thursday night, October 21, in the Polynesian garden at the home of Mrs. Hugh Branch. Guests came dressed in Polynesian fashion and were seated on grass mats before low tables decorated with banana leaves and exotic fruit. Each guest was presented with a lei.

Hostesses with Mrs. Branch were Mrs. Julian Branch, Mrs. Wayne Browning, Mrs. Gary Clark and Miss Faith Sasser. The hostesses' gift to Miss Turbeville was a pale blue negligee and gown.

Mr. and Mrs. Bobby Mackey left Tuesday for Immokalee where they plan to make their home.

Mr. and Mrs. Olaf Boe had as guests Sunday, her sister and brother-in-law, Mr. and Mrs. R. A. Currin, of Sarasota.

Church Workshop Scheduled Nov. 4

The Methodists of the West Palm Beach District will hold a workshop for local church leaders on the theme "Cultivating Christian Stewardship with Children and Youth."

The meeting will be held at the Community Methodist Church in Belle Glade on Thursday, November 4 at 7:30 p.m.

Those planning to attend from the Canal Point Methodist Church are Rev. Edward Norton, Mr. and Mrs. Earl Maxson, Mrs. Stanley Hooks, D. L. Hooks, G. L. Lanham and Don Adams.

Here are the reasons you should VOTE FOR 4 LANES

"The time is now. Florida faces an emergency; one which reaches into every corner of our great state and affects the lives and well-being of all of us. We must build — now — an adequate primary system."

— Haydon Burns, Governor

Here Are The Facts:

Q What is the Highway Improvement Amendment?

A Number 4 on the Nov. 2 ballot. It provides for a \$300 million bond issue to construct 1,241 miles of new, four-lane major route improvements. Roads were selected on the basis of traffic volume, safety hazards, condition of present facility, area economic consideration and other sufficiency rating factors prescribed by the Florida Highway Code.

Q Why is this an emergency program?

A Crowded two-lane roads are the major causes for mounting traffic accidents, injury and death. In addition, an immediate multi-laning program is essential to Florida tourism, industry and business. Because of steadily-soaring construction and right-of-way costs, we cannot afford to delay the program.

Q Why can't these highways be built under the present highway program?

A There are not and never will be sufficient funds available under the present financial setup. The State Road Department has approximately \$55 million remaining for primary highway construction each year after administrative, maintenance and matching funds expenses are deducted. A conservative estimate shows it would require \$1 billion to bring the primary system up to standards.

Q Will there be a regular primary highway program in addition to the Highway Improvement Program?

A Yes. If the Highway Improvement Amendment is approved, there still would be an estimated \$43 million in each of the next 20 years for construction of other critically-needed highways under the primary system.

Q Will these programs be accomplished with no increase in taxes?

A Fiscal experts in state government assure us Florida can meet its primary highway needs with no increase in taxes by approving the Highway Improvement Amendment.

Q Who is supporting the Highway Improvement Amendment?

A The Florida Legislature endorsed the plan overwhelmingly, by a vote of 35 to 8 in the Senate and 91 to 19 in the House. In addition, the program has the full support of Gov. Burns, 16 former State Road Board members and chairmen who served under five different governors, and the present State Road Board members. More than 100 leading newspapers, Chambers of Commerce, civic and safety organizations throughout Florida also have endorsed the program, as have a number of city and county governments.
